Dear Ladies,

Our first Ladies Trip will kick-off in the magnificent Maluti Mountains! This will leave our men envious! Children are welcome to attend. We request that kiddies must at least be completely out of nappies and they must be able to brave the outdoors comfortably, without nagging. ALL ladies are welcome! No previous 4x4 Training or previous 4x4 experience is needed. I will patiently & gently guide you where necessary & show all that you need to know. My motto: If I can do it, then ANY lady can do it!

- Comfortable hiking boots /shoes
- Insect repellent – not only for mosquitoes but it also keeps ticks and other unwelcome gogga's at bay
- Sun block
- Snacks for lunch time
- Own drinks – Ice will be provided in the mornings for cool boxes – only coffee & tea will be provided!
- Kalbas's vehicle has a converter to charge camera's, cell phones etc. He can unfortunately NOT accommodate hair dryers, heaters etc! Before bringing ANY electrical equipment, PLEASE check with me first?

This is the trip we have been waiting for. A trip where we can be ourselves. A trip where we can say "ewe" or "grouse". A trip where we can scream at a spider. A trip where we are all from the same planet. A trip where we all have sympathy with one another's short comings. A trip where we don't have to prove anything. A trip where the men do ALL the work and we can truly relax around the welcome crackling of an African fire. A trip where girly stories are welcome and we all understand what PMS means!

A strong woman

Is one who feels deeply and loves fiercely.

Her tears flow just as abundantly as her laughter.

She is not afraid to be afraid.

She is both soft and powerful.

She takes compliments to heart and treats herself like the queen that she is.

She is equally visionary and decisive.

She is able to hope when things look hopeless.

She is both practical and spiritual.

A Strong woman in her essence is a gift to all the world.

This is a trip NOT to be missed! We can only take a limited number of vehicles. Each vehicle can accommodate as many passengers as it has seatbelts. Please contact myself for any queries or to confirm your booking.

I am looking forward to hearing from you all soon!

Warmest Regards,

Madelein Watson
